Dear friends,

Welcome to the 32nd Annual Kentucky Farm Bureau Beef Expo! This event is the place to be for producers looking to upgrade their herd genetics or youth seeking a project for the upcoming livestock show season.

The Beef Expo has enjoyed sales of more than \$1 million for six years in a row. It's a proud annual tradition in the leading beef cattle state east of the Mississippi River. And it takes place in one of the leading venues of its kind in the nation, the Kentucky Exposition Center, with 1.2 million square feet of enclosed, climate-controlled exhibition space.

Kentucky Department of Agriculture staff will be on hand to check the health papers of every animal that enters the fairgrounds and help run the shows and sales. If I or any of my staff can help you with anything, please don't hesitate to ask.

While you're in Louisville, we hope you'll take the time to dine in some of the dozens of restaurants that serve Kentucky Proud foods – delicious local foods grown, raised, processed, and/or manufactured in the Commonwealth. Kentucky Proud is one of the leading state farm marketing programs in the country and a major driver of Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo.

Sincerely,

Ryan Quarles

Commonwealth of Kentucky

Welcome to the 2018 Kentucky Farm Bureau Beef Expo. We are very proud to once again serve as the corporate sponsor of the Beef Expo.

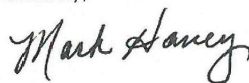

With over 478,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy. A big contributor to that economy and an integral part of Kentucky agriculture is the beef cattle industry.

Kentucky ranks 8th in beef cattle inventory nationally, and is the top producing cattle state east of the Mississippi River. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the annual Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Beef Expo offers the opportunity to purchase some of the best breeding stock in the United States and network with breeders from Kentucky and surrounding states.

Again, we welcome you to the 2018 Kentucky Farm Bureau Beef Expo and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney
President
