Welcome to the 2019 Kentucky Farm Bureau Beef Expo

It's a pleasure to welcome each of you to the 2019 Kentucky Farm Bureau Beef Expo, an event that showcases some of the best cattle in the country, and something we are proud to be involved with for so many years as corporate sponsor.

For 100 years, Kentucky Farm Bureau has served as the "Voice of Kentucky Agriculture." A big part of our ag economy is related to our cattle industry and as we celebrate our Centennial this year, we continue to recognize the importance this sector plays in the overall tapestry of our agricultural landscape.

Kentucky's beef cattle industry has grown so much over the past two decades to the point of national prominence as the top beef cattle producing state east of the Mississippi and the eighth top state in the country.

But more than just cattle numbers, the industry is such an important sector in Kentucky's overall agricultural economy. With total farm gate receipts expected to hit the \$5.7 billion mark in 2018, the state's cattle industry represents about 13 percent of that total.

For those of you who have been to the Expo before, I don't have to tell you what an experience this is. For those of you coming for the first time, I hope you find the experience invaluable whether you are showing, selling or buying.

The Kentucky Farm Bureau Beef Expo has become one of the premiere events of its kind in this area and we are glad you are a part of it.

Sincerely,

Mark Haney, President  
Kentucky Farm Bureau

KFB 100 YEARS

Dear friends,

Welcome to the 33rd Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, generating more than \$1 million in sales each of the last seven years. We hope this year's event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA seeks new domestic and foreign markets for Kentucky Proud agricultural products, and I recently named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you're in Louisville, we hope you'll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville's nationally acclaimed local food scene.

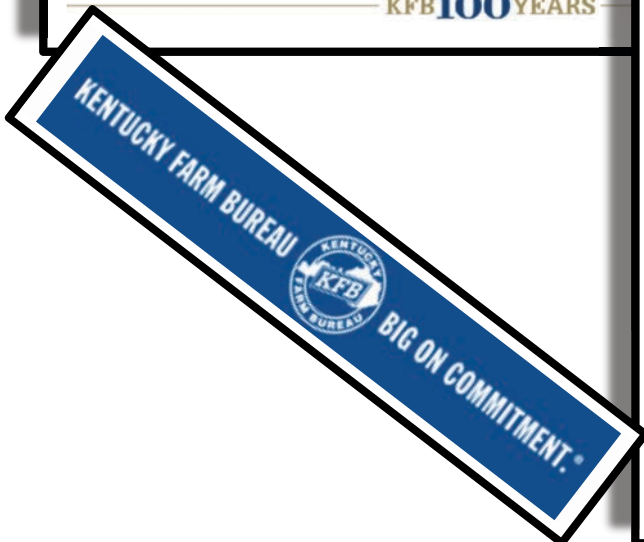

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

RYAN QUARLES  
Commissioner of Agriculture  
Commonwealth of Kentucky

[kyagr.com](http://kyagr.com)

Major CO-Sponsors: Kentucky Farm Bureau and the Kentucky Department of Agriculture, Ryan Quarles, Commissioner

1-800-BEEFALO ----- [www.AmericanBeefaloAssociation.com](http://www.AmericanBeefaloAssociation.com)

## TERMS AND CONDITIONS

**BIDDING:** Each animal on which there are two or more bids will be sold to the highest bidder. Consignors may bid on and/or purchase any animal in the sale. Online bidders and bidders list will be reviewed before the sale.

The sale manager reserves the right to decline bidders who are not in good standing with the American Beefalo Associations. This would likely stem from a previous NON-PAYMENT transaction with the ABA or its members.

**TERMS:** Terms of the sale are cash or valid check. Make checks payable to American Beefalo Association. Settlement must be made immediately after completion of the sale and prior to removing animals from the facility.

**HANDLING:** All animals will be maintained prior to the sale at the absolute risk of the seller. All animals are to be maintained at the purchaser's risk as soon as they are sold.

**BREEDING GUARANTEE:** All animals sold are guaranteed to be breeders by the seller. Females safe in calf or with calves at side are considered breeders. Females which have been bred less than sixty days will be sold as serviced and not guaranteed safe in calf. Females sold as open are also guaranteed. If a female sold as safe in calf proves to be open at the time of sale, seller shall have the option of return of the heifer to get safe in calf or replace with bred females of equal value or refund of full purchase price either of which will be considered full settlement.

Any animal that has not proven itself a breeder within six (6) months after date of sale, if in healthy condition, may be returned to the seller at the seller's expense. Should the animal fail to prove a breeder within six (6) months trial by the seller, the seller, at his option may either return the purchase price to buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. If proved to be a breeder, buyer will pay return to his farm.

All complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the limit specified above and animals returned must be disease free and in good condition.

**REGISTRATION:** Registration certificates on Beefalo animals will be transferred to the purchaser by the seller. Breeding dates and sires on bred females will be furnished by the seller to the purchaser for recording. A.I. certificates must be furnished with any animals that were artificially inseminated in order to register the animal.

**HEALTH:** For states that are not Tuberculosis and Brucellosis free: The owner of each animal sold will have such animals tested for Tuberculosis and Brucellosis no sooner than thirty (30) days prior to sale date, and only animals free from such diseases will be permitted to be sold. All females will have been calfhood vaccinated for Brucellosis. Proper certification will be furnished to the purchaser by the seller guaranteeing the animal sold to be free from above diseases. Animals officially calfhood vaccinated for Brucellosis and not over eighteen (18) months old are exempt from test.

**BREEDING CONDITION:** Animals consigned to the Show & Sale are expected to be in breeding condition. Animals that are not in breeding condition will not be eligible to attend the event. Sale manager has authority to accept or reject any animals that are not up to the American Beefalo Association standards.

**NOTICE:** It is the sole responsibility of the consignor or seller to make positive identification of his animals at point of sale and to match identification information furnished to the sale in preparation of the sale catalog. In the event of default in any of the Terms and Conditions covering this sale by either the buyer or the seller, it shall be the responsibility of the buyer or the seller to investigate any action necessary to bring about a fair settlement of any claims arising from the sale and to be responsible for any or all costs involved therein.

**ANNOUNCEMENTS:** Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

**LIABILITIES:** All persons who attend the show and/or sale do so at their own risk and neither the owner nor the sale manager assumes liability, legal or otherwise for any accidents that may occur.

**CONTRACTS:** The above Terms and Conditions shall constitute a contract between the buyer and seller of each animal sold.

## BEEFALO ENTHUSIASTS,

*The hard work and dedication put forth by everyone to pull off an event like the Kentucky Farm Bureau Beef Expo does go unnoticed. With the popularity of the Beefalo breed continuing to grow it is events like the Expo that help showcase some of the best breeding stock out there! The American Beefalo Association really appreciates the participation of everyone involved from consignors to the bidders and all the way to the people who just stop by to ask about Beefalo. Thank you to all involved to help to continue to grow the breed and to help make everyone more healthy one Beefalo steak at a time! -Kyle Skidmore, Show and Sale Chairman*
