Welcome to the 2016 Kentucky Farm Bureau Beef Expo and the Kentucky National Beefalo Show and Sale. We are very proud to once again serve as the corporate sponsor of the Beef Expo.

With over 468,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy. A big contributor to that economy and an integral part of Kentucky agriculture is the beef cattle industry.

Kentucky ranks 8th in beef cattle inventory nationally and is the top producing cattle state east of the Mississippi River. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the annual Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Beef Expo offers the opportunity to purchase some of the best breeding stock in the United States and network with breeders from Kentucky and surrounding states.

Again, we welcome you to the 2016 Kentucky Farm Bureau Beef Expo and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney

Dear friends,

As your new Kentucky Commissioner of Agriculture, it's my pleasure to welcome you to the 30th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center.

The Beef Expo is recognized as one of the nation's elite beef cattle exhibitions. Last year's event set a record with sales of \$1.39 million, marking the fourth consecutive year with sales in excess of \$1 million. The 2015 show attracted 201 consignors from 18 states.

Youth exhibitors can test their skills in the annual judging contest and junior show. The 2015 junior show saw 379 head pass through the show ring, including 154 Kentucky animals.

It all happens in the Kentucky Exposition Center, an elite facility with 1.2 million square feet of enclosed, climate-controlled exhibition space and close proximity to Louisville International Airport, dozens of Kentucky Proud restaurants, and many other attractions.

Kentucky Department of Agriculture staff will be on hand to check the health papers of all the animals that enter the expo center, conduct the shows and sales, and provide other services.

Please know that my door is always open. If I or my staff can help you in any way, don't hesitate to ask.

Again, welcome to the Kentucky Farm Bureau Beef Expo. Best wishes on a successful show and sale.

Sincerely,

RYAN F. QUARLES  
Commissioner of Agriculture  
Commonwealth of Kentucky

## HOW TO ADD BEEFALO GENETICS & HYBRID VIGOR TO YOUR HERD

### Notes:

- A fullblood Beefalo Bull is 100% Beefalo and is exactly 37.5% Bison and 62.5% Bovine.
- Animals must be at least 17% bison to be marketed as Beefalo or Beefalo Beef.
- Purebred Beefalo contain at least 34% bison and can be bred to any breed to produce Beefalo calves.
- Adding Beefalo to your breeding program can be accomplished by breeding Beefalo bulls to bovine cows, or by breeding bovine bulls to Beefalo cows.
